Trio-sonatas

J. Nussen. op. 2.

c. 1733

Before 1736 the year in which Walsh [illegible], the [illegible]
The date of 1755 assigned to the work in the B.M. Lib. catalogue is doubtful.
See Kidson's Brit. Music Publishers, p. 141. Nussen was a member of the Royal
Soc. of Musicians. He joined in 1749.

Examples of the illegal use by Walsh jun^r of "Musick Printer to the King" occur once or twice
after 1736. Handel Trios, for example, 1739; and Boyce Trios, 1747; But the style
of Mrs Nussen's title-page is that of the elder Walsh, not of the son. The probable
date may be about 1733.

Note on the titlepage of Jommelli's op. 2, VI Sonatas à tre, is "Speedily will
be Publish'd Dedicated to Her Royal Highness the Lady Augusta
Six Sonatas for 2 Violins and a Bass Compos'd by Fred: Nussen. op 2d"
This was possibly a reissue of the work about 1753. On
the other hand the use of "Musick Printer & Instrument Maker
to the King" in 1755 may be an error on the part of John
Walsh the younger. But "Musick" suggests an earlier date.
Also the use of ♯ for # is more like 1733 than 1753.
